You know...

...the primary longing of God's heart is for relationship with people He created in His image.

...that 2 of every 7 people in our world have yet to hear the Good News in a way they can understand and respond.

...that God's primary strategy to bring hope, healing, and transformation to our broken world is through the local Body of Christ.

...Christ followers are most effective in making new disciples of Jesus when they go to people with a shared or similar language, culture, and ethnic identity.

Global Disciples partners with churches in Africa, Asia, and Latin America to fulfill their vision and passion to reach nearby least-reached people with the Gospel of Jesus Christ. We provide a reproducible and sustainable model to train men and women who will make disciples, plant churches, and give spiritual leadership.

Global Disciples partners with more than 1,100 training programs in over 45 countries. In the past year, those trained and sent out through affiliated programs planted 1,969 churches and saw more than 45,000 people come to faith in Jesus Christ.
